

**MINT IS HIRING**

# Creative Designer & Editor

---

Company: Mint Copenhagen - Location: Copenhagen

**MINT COPENHAGEN**, a leading Copenhagen agency and studio specializing in campaigns and content for families, kids, and like-minded audiences, is on the hunt for a Creative Designer & Editor — a versatile and talented individual who can seamlessly blend graphic design with video editing to bring our projects to life.

**ROLE OVERVIEW** Lead the charge in developing and selling compelling content for a global audience. Utilize your industry insights and networks to shape the future of entertainment for younger demographics and their families.

## KEY RESPONSIBILITIES

- Collaborate closely with our creative team to understand project goals, brand guidelines, and client needs.
- Transform client briefs into visually compelling concepts across various media, including banners, presentations, marketing materials, social media graphics, TV spots, and more.
- Design and execute high-quality visuals using industry-standard software (Adobe Creative Suite preferred).
- Create engaging and on-brand graphics and video content for social media campaigns, keeping platform-specific requirements in mind.
- Edit and produce videos, motion graphics, and other multimedia content that enhances our storytelling capabilities.
- Manage multiple design and editing projects simultaneously, ensuring that all deadlines are met with exceptional quality.
- Prepare drafts, revisions, and final artwork for client approval, maintaining a keen eye for detail throughout the process.
